Dear Allen BELL:

RE: Reports of Hezbollah in Canada unsubstantiated: expert

On Friday June 20<sup>th</sup>, 2008 you appeared on Canadian media outlet and asserted that Hezbollah in Canada unsubstantiated. However, Sarbazan organization has all legal evidences which proves otherwise.

There is no slightest doubt that Canada is sponsoring terrorism and has posed serious safety and security threat to the Americans by allowing Mullah Rafsanjani to built HWY 407, Center Point Mall and other assets in Canada, who is generating revenue in Canada which is against the law. He is an infamous international Hezbollah terrorist and Canada is harboring terrorism. In addition, Iran Canada Business Council is central command of Hezbollah in Canada which is recruiting members and Canada has decided to be silent about it because Canadian politicians are receiving political campaign contributions from the Council.

In past, the Sarbazan organization gave countless warning to Canada to stop harboring terrorism by publishing a book, drafting a petition and posting articles on website and blogs and finally it is paying off as Americans are expressing their concerns about Canada.

Kindly read the Sarbazan attached articles and be advice that the Sarbazan organization. Let justice prevail, enough is enough.

Thank you,

Kind regards

Signed
